

Oliwier Urbanski

IT Specialist for Application

Germany, Berlin

WORK EXPERIENCE

Strato
08/2024 - PRESENT

Apprenticeship/Trainee as an IT Specialist for Application

During my apprenticeship at STRATO/IONOS, I work on software projects, develop new features, and create automated test scripts using Python and Selenium. I support the team in finding and fixing bugs, improving testing processes, and learning practical skills in software development and quality assurance.

EDUCATION

OSZ IMT
